

Level up your literacy initiatives with Reading Goals & Reading Challenges

Looking for ways to motivate students to take ownership of their reading growth and foster a lifelong love of reading?
Try Reading Goals & Reading Challenges in Sora!

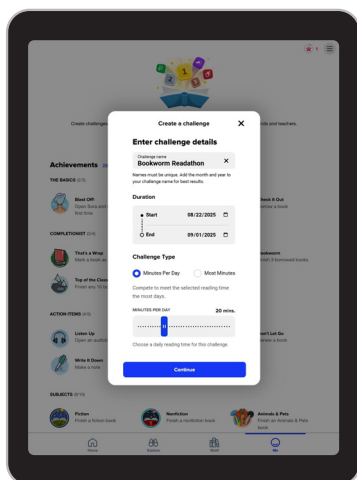

WATCH READING GROW WITH READING GOALS

Help students take control of their reading journey by setting personalized daily targets and tracking their progress.

Students can:

- **Set daily goals** between 5 and 60 minutes.
- **View historical reading data**, including current and past goals, total reading time by day and a calendar view showing goal completion.
- **Unlock milestones** as they meet their reading goals. (Reading Goals incentivize with positive reinforcement, so students never have to stress about breaking a streak.)
- **Adjust goals to meet their needs:** Goals are optional and flexible, so students can choose to enable/disable them at any time.

LET THE GAMES BEGIN WITH READING CHALLENGES

Sora's Reading Challenges let you create custom competitions that encourage students to read more and reach their goals, whether you're organizing a friendly contest between a few students or launching a school-wide reading rally.

You can:

- **Set time-based goals:** Compete to read the most minutes or hit a set reading goal for the most days.
- **Earn exclusive badges:** Design and unlock custom badges that celebrate progress and achievement.
- **Share challenges easily:** Invite others with a link, QR code or challenge code.
- **Track progress in real time:** Watch the leaderboard update as students read and grow.

LEARN HOW TO SET READING GOALS AND START READING CHALLENGES

Check out our Sora Help guide for step-by-step instructions for how to set Reading Goals and start and join Reading Challenges in Sora.
